MAND:

ma di wo do vr Za zo

Three calendar grids for January, February, and March 2019. Each grid shows the days of the week (ma, di, wo, do, vr, za, zo) and the corresponding dates. The grids are arranged horizontally, with January on the left, February in the middle, and March on the right. The dates are written in the cells, and the days of the week are written below the columns. The grids are for the years 2018 and 2019.
